"Natsu grab a pass said Professor Gildarts. Alright Gildarts said Natsu has he signed his name out and grabbed a hall pass.

After a quick stop by the vending machines to fetch himself a drink Natsu walked into the Head Masters office.

"Natsu are you aware of the school across the lake" asked Head master Zeref has he drank some coffee. "Yeah the all girl school right what's it called" again Natsu asked.

"Magnolia University or MU for short" said Zeref. "What about it" asked Natsu. "For the next year you'll be attending that school" said Zeref. "Why?" asked Natsu.

"Because of a program the schools have entered called the Student exchange program in the hopes of one day integrating girls into this school and boys into that one we decided to start this program has a trial run to see how the students handle the change but of course the head honchos at the board of education decided their needed to be a trial for the trial

"Thus we decided to swap one of our students you'll go over thier has a representitive of Alverez empire and they'll send a girl over here to be a representive of Magnolia High" said Zeref.

"Okay then how did I end up getting choosen for this task" asked Natsu. "Well since the only reason you even got into this school is because of my connections said Zeref. "So?" Natsu asked with a shrug. "So, You owed by a favor and I'm collecting" said Zeref.

"Whens the switch" asked Natsu. "Tomorrow get here early and well sail to the small island inbetween the land masses that's where we'll make the swap" said Zeref.

"You make it sound like some kind of illegal drug trade" said Natsu with a chuckle.

"Shut up and go back to class" said Zeref.

The next day:
>"Damn why am I out here so early the sun isn't even up yet" said Natsu has he stood inside the main lobby of the school waiting for Zeref. "You always where the impaitent type" Natsu said a man wearing glasses with snow white hair.<p>

"The Student Council president Invel shall be acompaning us" said Zeref. "alright" said Natsu has the three of them headed off to a boat and started to row to the island.

It took about an Hour to row to the island the sun was just comin up when they arrived.

looks like where here said Invel has they unloaded natsu's suit cases and headed further inland.

"Hey! Zeref where over here! shouted a short stature blonde wearing what seemed to be a white fullbody dress and no shoes.

"Whose the little kid" asked Natsu. "That's head master Mavis and she's 25 years old" said Zeref.

"You mean to tell me she's six years older than I am" asked Natsu in shock. "Yes and three years younger than I am" said Zeref.

"Hi I'm Mavis Vermillion head master of Magnolia University" said Mavis has she shook Natsu's hand.

"I'm Mirajane Strauss Student Council presidnt of Magnolia University said Mavis has she shook their hands.

"Hey where'd Lucy go" said Mira has she looked around.

"I'm right here" said Lucy has she tiredly dragged her bags over to them.

"I'm Lucy Heartfillia nice to meet you" said Lucy.

"Wait Luce is that really you" asked Natsu in shock. "Natsu, Natsu Dragneel wow it's been so long" said Lucy with a smile.

"You two know each other" asked Mirajane. "We went to school together

all the way up to seventh grade we where best friends" said Lucy.

"But after my parents and Lucy's dad died I had to move in with Zeref who lived in" Alvarez said Natsu.

"So how'd you get dragged into this" asked Natsu. "I lost a rock paper scissors tournament" said Lucy with a sigh.

"You always where horrible at that game" said Natsu with a laugh.

"School doesn't start for another four hours so why don't we just hang here for a while and let the two of them catch up" said Zeref.

"Hey Luce tell me is their someone I should look out for over their you know someone I don't want to make angry" asked Natsu.

"Yes two actually one is sitting right over there and the other is the head of the Disciplinary committee Erza Scarlett you don't wanna mess with her I still have the bruises on my butt from the last time she punished me" said Lucy as she rubbed her derriere.

"Hey Natsu lets go for a walk like we used to" said Lucy.

"Yeah let's go" said Natsu. "Hey Zeref! were going on a walk!" shouted Natsu. "Alright be back in three hours" shouted Zeref. "See ya!" shouted Natsu.

The two of them walked along a path when Lucy asked something Natsu wasn't expecting.

"Hey Natsu do you think that if you could've stayed do you think something would've happened between us" said Lucy. "Hard to say who knows but I did always reserve a spot for you in my heart" said Natsu has he gently touched her hand.

Natsu I've always loved you and seeing you again made me realize that those feelings never went away" said Lucy has she stared into his onyx eyes.

"Natsu how did you feel about me?" asked Lucy. "To tell the truth the week our parents died in that accident I was planning on telling you I loved you and asking you out but I couldn't do it not after all of that and before I could get the nerve to ask you after the funeral I found out that I was moving in with my older brother head master" Zeref said Natsu has he grabbed her chin.

"What are you saying" asked Lucy. "I'm not saying anything I'm done talking said Natsu has he grabbed Lucy and pulled her into a passionate kiss with Dolphins jumping in the background the sun now high over head.

The two of them made out intensly pulling each others clothes off kissing eachother while walking up the path. before they fell onto a pile of leaves.

"Lets just skip the foreplay we only have an hour and a half left" said Lucy has she spread her legs like butter on bread.

"Aw shit your so big said Lucy has she felt Natsu's Tip breach through her folds. "Aw Lucy" said tears stinging her eyes has she tightly gripped Natsu's hair nearly pulling his hair out.

"It'll be okay Luce" said Natsu has he licked the tears off her face.

"Smack! don't lick me you idiot!" shouted Lucy. "Hehehe sorry Luce I just didn't like seeing tears in your eyes and on your face it makes me sad" said Natsu.

"Just please hurry up and claim me has your own said Lucy has she pulled him into a kiss at the same time Natsu rammed the rest of his member into her maiden hood.

"Oh god!" Lucy! screamed.

Natsu began to thrust into her with reckless abandon.

"I've always wanted to play with these babies" said Natsu has he pinched Lucy's Hardened pink nipples.

"Aw" Lucy moaned has Natsu picked her up and pinned her against a tree and began to fuck her up against it. all the while sucking, nibbling and biting her massive G-cup breast aw fuck! your so tight!. Your so big! shouted Lucy!

"I'm about to!" Lucy warned. "Not yet Luce! not yet!" shouted Natsu has he grabbed her pale white ass and began to knead it in his has squeezing her cheeks like it was a stress reliever ball.

"I can't hold on anymore! shouted Lucy has she squirted all over Natsu's cock her juices blasting out like a shot gun. Aw! Natsu moaned has he began to fill Lucy up with his essence.

"I think we got time for one more" said Lucy has Natsu pulled his erect cock from inside her.

"Come on lets go hurry up and give me those thirteen inches again" said Lucy with a sultry smile. "So Luce how's Ashley doing these days" asked Natsu has he thrusted into her. "She's fine still has violent has ever but she's okay" said Lucy.

"I can't wait to see Ashley again the three of us used to have so much fun together" said Natsu." Fun you and Ashley used to always get in trouble and drag me into it" said Lucy has she wrapped her arms around the tree has Natsu speed up his pace.

" Remember that time under the Sakura tree said Natus has he spanked Lucy's ass causing it to Vibrate around Natsu's cock.

"That wasn't me that was Ashley we switched that day when you asked me to watch the Sakura's grown Mom asked Ashley if she wanted to see a concert with her of course I really wanted to go to the concert and Ashley wanted to go watch the Sakura's cause she heard if you can count how many Sakura's fall from the Sakura tree you get a wish" said Lucy.

"Wait your mom didn't notice" asked Natsu shocked has he came into

lucy once more. "Nope she called me Ashley all day that day" said Lucy with a smile.

"Here you two are "said Mirajane has she and everyone else walked around the corner.

"Whoa Natsu I'd thought you'd bag the other one first" said Zeref.

"I told you they wouldn't leave this island without a quicky" said Mavis has she held up her hand. "Dammit Mirajane muttered has she handed the headmaster ten dollars".

"Hey Natsu you have a mission" said Lucy. "What mission" asked Natsu.

"You have to show the girls at my school the wonders of sex that's why Mavis wanted you to come to our school" said Lucy. "Well actually I wanted to ride him in my office and then send the picture to Zeref but that works to" said Mavis with a smile.

"Why send it to me" asked Zeref with a look of disgust on your face.

"because I have fun freaking you out" said Mavis.

"Well if you two horn dogs would get dressed we should be going now" said Invel has he was looking away.

"Oh hey Mira it's funny but you have the same name has my old friend Lisanna's scary older sister" said Natsu.

"I wasn't scary!" shouted Mira has she kicked him where the sun don't shine. "Yep it's you alright" said Natsu has he fainted.

Two hours later. "Wake up Natsu time to wake up" said Mavis has she shook him awake.

"Hey! Mira you sure do look different I didn't even realize it was you" said Natsu. "How many Mirajane Strauss's do you know with white hair" asked Mira. "Hows Lisanna doing"? asked Natsu. "She's doing fine but the doctors say she could wake up at anytime" said Mirajane.

"I'm sorry I couldn't be their to help her" said Natsu. " It was an accident Elfman, Lisanna and myself we where all driving late one night when Elfman tried to beat the light he where drunk and stupid that night a semi hit our car from the side.

"Me and Elfman got out with a few broken bones and cuts and bruises but Lisanna she was in critical condition and when she finally stabilized enough where we didn't have to worry about weather she live or die she just went to sleep and has yet to wake up" said Mirajane.

"It's been two years since then I tried to rush back when it happened but I had no way over" said Natsu.

"Oh here's your school uniform" said Mavis has she handed him a White Dress shirt, a pair of blue pants and a blue tie.

"Come on Natsu I'll take you to your class" said Mirajane.

"Ah here we our classroom 2-A miss Aries you'll like her" said Mirajane with a smile has she knocked on the door.

"I'm sorry come in sorry! Aries said from the other side of the door.

"Hello Aries this is Natsu Dragneel the guy Mavis told everyone about". "Oh your the exchange student it's good to meet you" said Virgo with a smile.

"Please have a seat next to Miss heartfillia" said Aries

"Psst Ashley wake up it's me Natsu, wakey wakey Ashley" said Natsu has he poke her cheek with a pencil.

"Wakey wakey ley ley" Natsu whispered. POP! call me that again and I'll punch ya! shouted Ashley.

"you all ready did!" the entire class shouted in unison.

"Hey Ashley your still has rambunctious has ever I see" said Natsu has he rubbed his nose.

"What's this about you and my sister banging in the woods" said Ashley has she glared at him.

"What how'd you know that" asked Natsu with genuine curiosity.

"Mira sent me pictures said Ashley has she showed natsu her phone which had the background set to Natsu penning lucy against the tree"

"Wait this is before you guys even found us" said Natsu. No no no I watched you two go at it the whole time I just waited until all three of us got release until I called the others and pretended I just found you" said Mirajane.

"I'm sorry but could you please stop talking about our students banging in the woods like a couple of goats" said Aries

"I'm going to go to class now bye!" said Mirajane. "Alright Class Natsu seems to be already acquainted with miss Ashley here so everyone else go around the room and introduce yourselfs" said Aries

A Bluenette stood up wearing a girls version of Natsu's uniform only difference was hers was a skirt and she had removed the tie and wore her top a bit loose showing some cleavage. "Juvia's name is Juvia Lockser and I'm the Captain of the Swim Team" said Juvia with a smile. "I'm Hisui E Fiore said a green haired girl.

"Wait are you related to the Mob family the Fiores" asked Natsu. "Yes I'm the heir to the family" said Hisui with a smile.

"Then a girl with silver hair and blue eyes stood up her uniform seemed to be to small because her breast where beginning to break free. I'm Yukino Aguria I'm the acting student council vice president

while Lucy-san is gone" said Yukino with a smile.

"I'm Levy Mcgarden I'm Lucys best friend" said another girl with light blue hair.

"I'm sherry Blendy said a girl with pinkish-reddish hair she seemed to have altered the uniform by bejeweling the back with a heart with the word love written in the middle.

"My name is Seilah" said a Girl who Natsu felt like he met before but he couldn't place where.

"and finally I'm Meredy" said a girl with thick pink hair a pink bracelet on her wrist.

"What about all those girls" said Natsu has he pointed to about ten girls in the back.

"Don't mind us we are just background characters with a few one liners before we mysteriously disappear" said one of them in a zombie like voice.

"Natsu-San!" shouted a bluenette has she ran into the classroom and tackled him into a hug.

"Little Wendy?" said Natsu has he got up and helped her up. "Yep it's me I'm not little anymore tho" said Wendy has she squeezed her breast together.

" I'm a first year I have miss Mulan" said Wendy with a smile.

"Suddenly a soft moan could be here over the Pa system.

"Oh Natsu! that's right shove that cock in her that's right my god your so big! I need to thank Mira for sending me these pictures" said headmaster mavis.

"Meanwhile in class 3-A "Your welcome headmaster" Mira said with a smile.

"Oh god!" yes! I'm cumming!" shouted Mavis.

"Miss Mavis! your broadcasting all over the school" said a exasperated voice. "What! why didn't you tell me sooner Zera!" shouted Mavis.

"It's still on you idiot!" Zera shouted.

"Oh ahhaha that was just a play we did... and uh well hahaha oh and Ashley Heartfillia Natsu will be staying with your family for the time being" said Mavis quickly changing the topic of conversation.

Back with class 2-A

"what! why does this idiot have to stay at my place?" asked Ashley!. "Cause I'm the headmaster and I said he is and your mother agreed" said Mavis.

"I bet my mother will change her tune when I tell her you where masterbating to a picture of him and her daughter" said Ashley.

"and I bet she'll change it right back when I tell her that her daughter is an Anal whore yeah I win bitch you must've forgotten the school model" said Mavis.

"Of course I remember it! Don't Lie!, Don't Cheat!, Never betray your friends and do not make an enemy out of Head Master Mavis because all four could get you killed" said Ashley has she sat down in defeat.

"Good and have a great day students also welcome to Magnolia university Natsu Dragneel" said Mavis with a smile.
